

Press release

LINHARDT and Sustainability:

Our Responsibility for the Future Determines our Actions

- LINHARDT's definition – economic, ecologic and social sustainable since ever and for ever
- Saving Resources by traditional (Aluminum 100% recycable) and innovative products (Paperflex-Tube 50% renewable resources)
- Outstanding investments on reduction of emissions – 98% VOC-reduction in 2010/2011
- „From cradle to cradle“ – Optimization utilizing Lifecycle Assessment (e.g. joint projects with customers for reduction of transport packaging)
- „Employees Lifecycle“ – social responsibility beyond working life (e.g. free nappies for employee's babies – outstanding investments in apprenticeship and advanced training – LINHARDT Retirees Club)
